Orchard House Care & Recovery Service

**Orchard House is located in a residential area of Redhill, Surrey.
The home provides accommodation and care for up to 5 working age adults
who are recovering from severe or enduring mental health problems.**

Helping individuals to regain their confidence, independent living skills and eventually to be able to live in the community with or without support from care staff is the primary aim of the Care Home.

Orchard House is registered with the Care Quality Commission (CQC) for the purpose of providing 'Accommodation for persons who require nursing or personal care'.
